STATEMENT:

The Town's ball diamonds shall be maintained in accordance with the following guidelines:

1. Ball clubs are responsible for dragging the diamonds and liming the base lines.
2. If the clubs do not have their own limer, the unit from the Recreation Office may be used, subject to availability.
3. The Town will water the grass and keep fences in repair.
4. The Town will cut the grass. However, if a ball club considers that the grass requires cutting prior to a ball game, it should make advance arrangements with the Town Foreman to have it cut.
