STATEMENT:

Purpose: To allow various charitable and service organizations to canvass the town to raise funds for various needs.

The Municipal Administrator shall approve, at his discretion, the canvassing of various charitable and service organizations to raise funds for specific needs. This will include such organizations as the Canadian Diabetes Association, Heart Fund, MS Society, etc.

The request must state the dates the organization will be in town conducting their door-to-door canvassing.

If a request from an organization to canvass the Town is questionable, the Administrator will bring the request to Council for its consideration.

Any requests to survey the town door-to-door must be approved by Council.

Any door-to-door sales must require an appropriate business license.
