--	---

The following information is to be provided as part of the development permit application:

TWO (2 sets) drawings to scale and dimensioned. Where a building is involved, the scale shall not be smaller than 1:100. In the case of a plot plan, the scale shall not be smaller than 1:300. The drawings shall indicate:

- The location of the sign by elevation drawing or plot plan
- The overall dimensions of the sign
- The size of the letters or letter
- The amount of projection from the face of the building
- The amount of projection over town property
- The height of the sign above the town street or sidewalk, or the height above the average ground level at the face of the building
- The manner of illuminating the sign and any form of animated or intermittent lights that may be embodied in the construction
- The least distance that the sign will be erected from an intersection of one street with another, also, the least distance from any device for the control of traffic at such an intersection
